

# Would you like to make a difference?

## Solva Care is looking to appoint new members to its Board of Trustees.

Solva Care works to counteract isolation and help people with practical problems. The Board manages the strategy, development and on-going work of the charity, working with its employees and volunteers in the Solva and Whitchurch areas. Ideally, Trustees should live in the locality and have an interest in health and wellbeing. We welcome applications from all sections of the community, and can be flexible with meeting times if you work or have other commitments. If you feel that you could contribute, we would love to hear from you.

For an informal chat, or to express an interest, contact Solva Care Chair Mollie Roach on 01437 721580 or [contact@solvacare.co.uk](mailto:contact@solvacare.co.uk)

Further details on the aims and work of the charity, and the role of the Trustees, are on our website: [solvacare.co.uk](http://solvacare.co.uk), and Twitter and Facebook pages. Closing date: 12 August 2018
