Confidentiality Agreement

Solva Care (SC) volunteers will come across or be entrusted with information, either about SC service users or people within SC, which is confidential. People's trust in SC will be undermined if any of SC's representatives unnecessarily discuss issues that should not be publicly disclosed. When someone gives us any confidential information, they need to be sure that we will not pass this to anyone else without their prior permission.

The only exception to this is if you have been party to any information which raises a concern to you, for example; - an abuse in the home issue. In this case you will be expected to share this with the SC Coordinator.

Confidentiality Statement

I understand that while volunteering with Solva Care I may come across information that is confidential. I agree that I will never disclose such confidential information to anyone outside of Solva Care.
