

# Solva mouse trail

At the end of last year the mice sailed home for the second lockdown but are getting ready to come back to Solva for their summer holiday and join in with all the fun.

It is time to join the summer Mouse Trail and display your mice! Use last years, make a new one or request a helping hand...

Register your name and location to be included on the map trail by the end of May.

A small selection of last year's mice!

If you would like to take part,  
please contact Chris and Ellie Sherwin
